

Communication cards

English • Shqip

For a child who has just arrived and does not yet share a language with you.

The child does not need to read either language. The picture carries the meaning; the words are there for you, and for the child's family at home.

HOW TO USE

1. Photocopy this pack. It is designed to survive a black-and-white copier.
2. Tape the desk board (next page) where the child sits.
3. Cut out the cards, punch a hole in the corner, put them on a ring.
4. Point to a card yourself when you speak to the child. It works both ways.
5. Let the child colour them in. They own almost nothing on the first day.

A NOTE ON THE LANGUAGE

This edition is written in standard Albanian.

If the child does not recognise a phrase, the other edition may fit better.

Ask the family which one sounds like home.
